## Welcome to Prosum

Prosum- our aim is to help create successful businesses. We work with owners and managers from start up to growth, helping develop ideas and opportunities, putting plans in place and working with those businesses to develop the key functions and activities within their company. We ensure that they have the best advice, information and support to help them achieve their goals.

We provide easy access to a wide range of business development & support activities, delivered by a team of competent, knowledgeable and experienced business professionals.

Our experience of working with businesses and organisations across the private, public and community sectors means we can design, develop and deliver a range of products, services and practical solutions which can be tailored to each of our client's individual needs, which delivers measureable improvement and adds value to their business.

Our services include:

- Business strategy
- Business planning
- Identifying & developing new business opportunities
- Contracting tenders & proposals
- E business - website design & social media
- People & HR
- Guidance and advice on finance & funding
- Marketing, branding & PR
- Virtual office and personal assistant services
- Legal assistance – contracts & premises
- ICT & communication systems
- Bespoke software

With bases in Newton Aycliffe and North Tyneside in the heart of the North East, we would like to work with you and your business.
